

## **The Dust (Rožnov pod Radhoštěm, 20. 10. 2023)**

Break

I leave

Life

Don't

Seven seconds

Envy

Everyone else

Left behind

Parents

Why do you?

People

Spring's coming to the town

Together

Wings are what we need

Make me happy

No fun anymore

House with no light in it

Let me pick you

Lullaby of Menton

Danny boy

She was like a fairy

Other faces form the world

A letter for you
